Wants a Canning Factory.

We heard one of our most enterprising business men say one day this week that he would take some stock in a canning factory here whether he knew it would pay him any dividends or not. He said it would help the business of the town any way. Of course this proposition was made with the understanding that a good man be placed at the head of the concern.

The TIMES man will do the same and there are others. Where is the man to start the enterprise?

The Primary Election.

The following are the successful nominees of the Democratic party selected at the primary held Saturday and their majority. The official count has not been announced yet and may change the figures slightly:

G. M. Derickson, Judge 9 majority; John D. Atkinson, County Attorney, 60 majority; Edward Rose, County Clerk, 16 majority; J. M. Kennon, Sheriff, 59 majority; R. A. Irvin, County Supt. Schools, 169 majority; Jas. Woolery, Assessor, 158 majority; Geo. Stephens, Jailor, 121 majority. D. D. Potts was elected

Magistrate in this district.

The election passed off very quietly, no disturbances being raised any where in the county. At every precinct in the county but one, Virden, the ballots gave out, and many were denied a vote on this account. There were 25 per cent. more ballots printed than there had ever been Democratic votes cast in the county before and still there were not enough. This shows that the Democrats have made wonderful gains in the past year, or that a number of Republicans were allowed to vote in the primary. We are inclined to think it is the latter. One good way of demonstrating the fact is to wait until the November election and see if the Democratic vote is as large then as it has been in the primary. The county committee allowed for gains in every precinct and no one doubted but what this would be a plenty until the ballots began to run close. There are 569 Democrats in the general election and over 700 in the primaries.

Here is Your Chance.

The Band played beautifully at the entertainment last night.

Gabriel Hays, of Taylor, Texas, is visiting friends in this section. He left Hardwick's Creek 32 years ago.

Mr. W. A. Hoskins received a telegram yesterday morning announcing the sad intelligence that his son, G. P. Hoskins, was dead at Trinidad, Colo. with typhoid fever.

Only sixteen voters registered at the special registration Saturday. Twelve of these were Democrats and four Republicans. This makes 126 Democratic voters in Clay City and 56 Republicans.

At the entertainment last evening Miss South favored the audience with several solos, which were much appreciated.

The selections were in admirable taste and exquisitely rendered.

Can You Eat.

J. B. Taylor, a prominent merchant of Chicago, Ill., says: "I could not eat because of a weak stomach. I lost strength and ran down in weight. All that money could do was done, but all hope of recovery vanished. Hearing of some wonderful cures effected by use of Kodol Dyspepsia Cure, I concluded to try it. The first bottle benefitted me, and after taking four bottles, I am fully restored to my usual strength, weight and health." Kodol Dyspepsia Cure digests what you eat and cures. Sold by M. Rose.

One of Many.

H. A. Tisdale, of Summerton, S. C., suffered for twenty years with the Piles. Specialists were employed and many remedies used but relief and permanent good was found only in the use of DeWitt's Witch Hazel Salve. *This is only one of the many, many cures that have been effected by this wonderful remedy. In buying Witch Hazel Salve it is only necessary to see that you get the genuine DeWitt's, made by E. C. DeWitt & Co. in Chicago, and a cure is certain. DeWitt's Witch Hazel Salve cures all kinds of piles, cuts, burns, eczema, tetter, ringworm, skin diseases, etc. Sold by M. Rose.

In the entertainment given at the Christian church last evening our citizens were favored with manifestations of talent much out of the usual order. Miss Steadington's readings are given in a realistic manner, without affectation and with marked effectiveness.

Levi Duncan brakeman on L. & E. R. R. was hurt at Beattyville Junction. He was standing on the caboose when the engine jumped the track and threw him against a rock. He was brought here and put in the care of Dr. Littlepage, and he took him to St. Joseph Hospital where his injuries were looked after. He was not dangerously hurt and the doctors think he will be out in a few week.
